

QuadStrat

Strategic Business Performance Assessment

A suite of assessments which quickly pinpoints your organization's capabilities and constraints. Identify your best opportunities for business improvement and success.

The product is ideal for...

- ❑ Strategic Planning on an Enterprise, Business Unit or Small Business basis
- ❑ Assessing Management Consensus on Key Priorities and Initiatives
- ❑ Comparing Management and Employee Perceptions
- ❑ Determining Organization Readiness/Employee Engagement
- ❑ Helping Newly-Appointed CEO or Senior Executive Identify Current Issues
- ❑ M&A Analysis

"The QuadStrat assessment model helped us facilitate our most comprehensive planning session yet.

The process was remarkably efficient and allowed us to develop concrete objectives in navigating our next level of growth."

Gary Clark
President

Missoula Federal Credit
Union

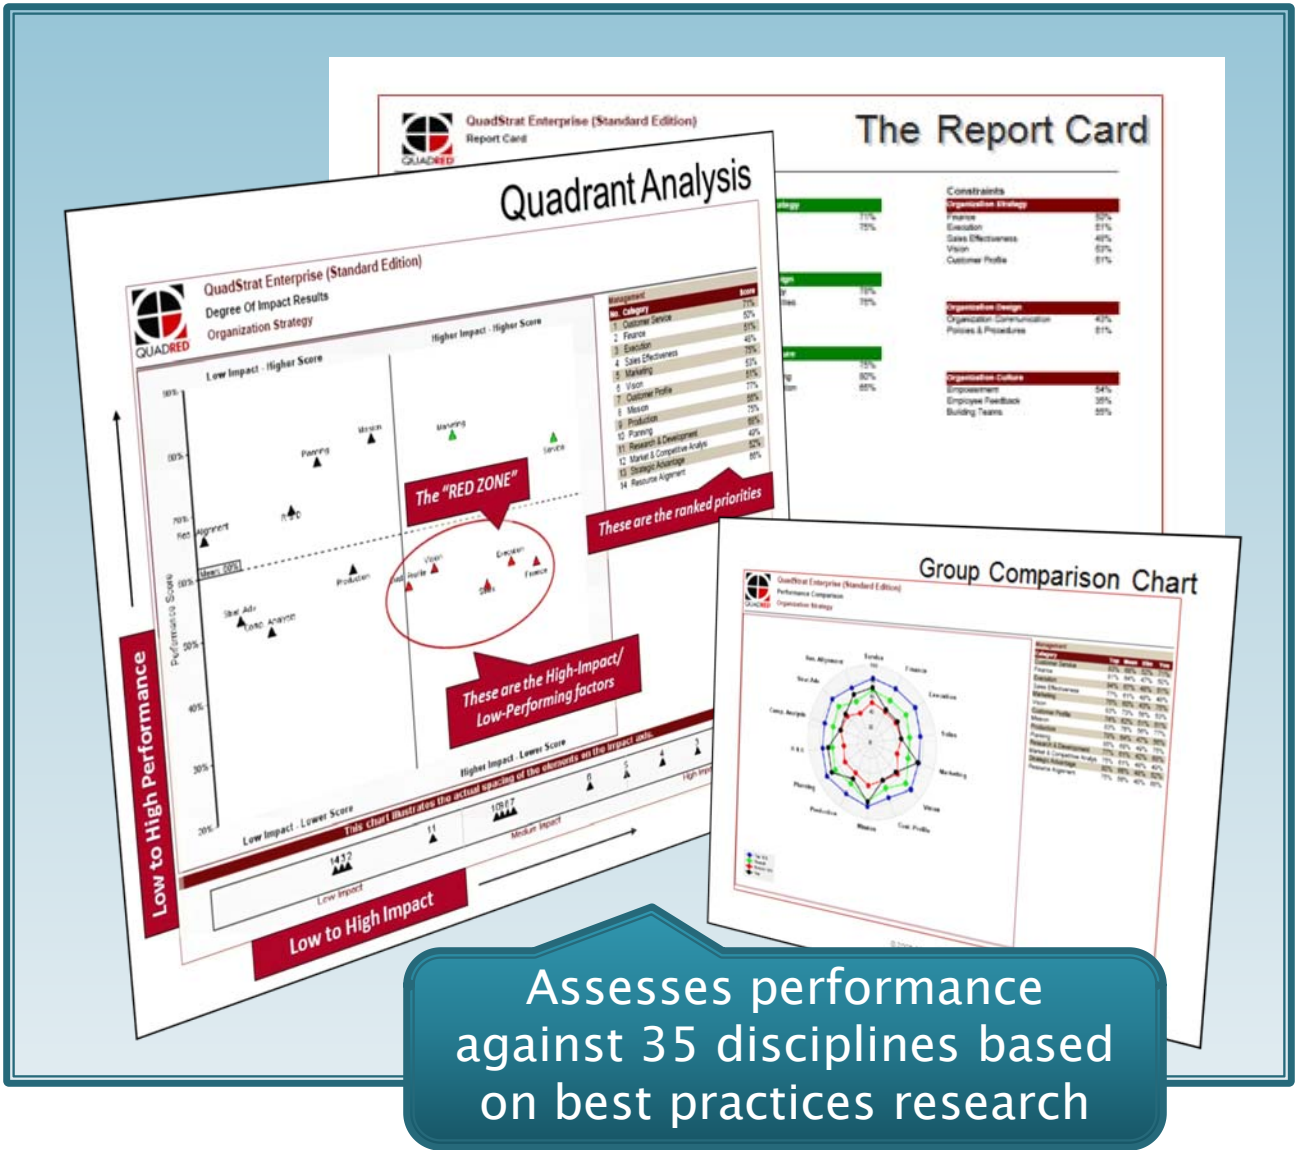

Compare your organization to thousands of organizations in our global best practice database.
